

GORILLAS IN GROOVE

Gig is a three piece band from Chennai which was formed in January 2014. The band plays Alternative Rock which is infused with elements of Funk, Blues, Reggae and Pop. The members come from different backgrounds and have grown up playing different kinds of music.

Avinav who is the bassist and vocalist happens to be a die-hard metal fan .He grew up listening to rock greats such as Led Zeppelin and ACDC. The drummer, Pravir is influenced by progressive acts such as Porcupine Tree and loves playing to classic rock bands such as Soundgarden and Velvet Revolver. MP plays guitar and gives backing vocals. His playing gives testament to his roots in blues and rock & roll.
