

TECH RIDER (DJ PANIC)

- A pair of pioneer CDJ 2000 cd machines,
- 1 pioneer DJM 800 mixer (DJ console)
- One cordless microphone and one corded microphone
- High powered monitor speaker to the DJ's right, on the console
- If it is an outdoor event the DJ console should be elevated by at least two and half feet or more.

TECH RIDER (BIG DEAL)

- One cordless Microphone, another spare cordless microphone JIC
- Two high powered monitor speakers on stage facing the artist
- Smoke and light arrangements to enhance the act on stage
- Prior sound check to be carried out by the artist and the management must make sure that there is no audience present

It is understood that the management will bear the cost for the Tech Rider mentioned above.
